JOHNSON-BLAKE
AUTHOR. EDUCATOR. FACILITATOR.

OUR SERVICES

TRAINING & EDITING

- **Training:** We offer several corporate training workshops on various topics, including time management, leadership, and many other categories that can be customized based on your needs.
- **Editing:** We provide editing services for all types of content, from LinkedIn updates to BIOS and academic papers to business proposals. We can help you improve your grammar, punctuation, and style, and we can also help you make sure your writing is clear and concise.

CORPORATE TRAINING & COMMUNITY OUTREACH AND ENGAGEMENT

- We also offer leadership development and soft skills training to enhance their overall capabilities. Our training programs can be tailored to your company's specific requirements and needs, and we offer both virtual and live training options.
- We have experience in planning and development of municipal, regional, and global projects, specifically including quality control, quality assurance, editing, support for engagement opportunities, and facilitating community education sessions.

CLIENT TESTIMONIALS

WENDE REYNOLDS, REALTOR
KELLER WILLIAMS CITYSIDE

“Dr. Johnson-Blake has a vast knowledge of how to get more production out of your day without adding more stress. With her systems and direction, Dr. DJ gives us the tools we need to organize our day. When you are an entrepreneur, you wear many hats, and it is easy to get consumed and overwhelmed with to-do’s, deadlines, and time thieves that you don’t realize are affecting your productivity. Thanks to Dr. DJ, we are armed and prepared to succeed.”

VONDA THORPE, CEO
ROYAL ACCENTS, LLC (Event Management)

“Dr. DJ has provided time management coaching for me and my team to help us deploy more techniques to plan and produce digital and face-to-face social distance events efficiently. Without her assistance and unique style of coaching, we would not have achieved our goals.”
